## **Introduction**

All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum with the exception of individual or group music tuition.

## **Voluntary contributions**

When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution. We do not treat these children differently from any others.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.

The following is a list of additional activities organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- visits to museums;
- visits to places linked with project / topic work
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to the theatre;
- events linked to the teaching and learning programme held at school;
- musical events.

## **Music tuition**

All children study music as part of the normal school curriculum. We do not charge for this.

Peripatetic music teachers teach individual or small group lessons. There may be a charge for this.

## **Swimming**

The Local Authority organises swimming lessons for children in Year 4 to 6. These take place in school time and are part of the National Curriculum. We make no charge for this activity but ask for a voluntary contribution to cover the cost of transport.
